## PROJECTS

---

- **Personal Portfolio** – This is a personal website that showcases my skills, experiences and achievements as a Front End Developer. It includes a clear navigation and easy to read content and it's optimised for different devices. It provides screenshots of my projects with links to live demos and GitHub repository.  
  
Live Demo - <https://patrickjuawo-portfolio.netlify.app>  
  
GitHub Repo - <https://github.com/pjuawo/portfolio.git>
- **Bookmark Landing Page** – This is a solution to Bookmark landing page on Frontend mentor. The page is built with CSS modern techniques e.g. flexbox, grid and positioning.  
  
Live Demo - <https://bookmark-landing-pj.netlify.app>  
  
GitHub Repo - <https://github.com/pjuawo/bookmark-landing-page.git>
- **NetFlix Home Page Clone** – This is a clone of the Netflix Home page.  
  
Live Demo - <https://netflix-homepage-pj.netlify.app>  
  
GitHub Repo - <https://github.com/pjuawo/netflix-homepage-clone>
